

Key Worker Registration Form

We are still awaiting confirmation from the government as to who qualifies as a Key Worker, what we do know is that to limit the risk of transferring Covid-19 we need to ensure that only children who require care are brought into school. School places will only be available to single parent families where the parent is a 'key worker' or households where both parents are key workers and therefore unable to provide childcare at home.

If you feel that your child/ren will be eligible to attend school during this period can you please complete this form and send to school with your child tomorrow morning. We will then make a decision on who is eligible to attend and make provision for these children to attend from Monday morning.
