Dear Parents,

I am writing to provide you with a brief update regarding planned arrangements for September.

Firstly, I would like to take this opportunity to thank you for your understanding and patience over the last few months. During these unprecedented times, we have tried our very best to support our children with home learning and pastoral care. This has only been possible with your incredible help and support.

In September, we are planning for all of our children to return to school. I recognise that there will still be some anxiety and concerns amongst parents but please be reassured that we will continue to put all available safety measures in place.

Some of our planned arrangements include:

- Children to be grouped in phase 'bubbles'. (Years 5 & 6, Years 3 & 4, Years 1 & 2 and Early Years)
- Children to work in their own classes of 30 children
- A return to children wearing full school uniform
- Lunches in the dining hall (except for Early Years)
- I am hoping to avoid staggered start and end times to the day as I know this can result in difficulties for parents with more than one child.

In September, there will be a heavy focus on supporting children's mental health and well-being. We recognise that for some children returning to school after such a long period of absence could be difficult. However, it is important for children to get back to 'normality' with their friends in our school community. We will be working extremely hard to fill any gaps in children's learning and to bring them back up to speed as quickly as possible.

I will write again towards the end of the summer break with more detailed information. I hope you are all able to enjoy a happy and restful summer break.

**School reopens – Thursday 3<sup>rd</sup> September 2020**

Thank you for your continued support.
