

## **Important: Download the new Reach More Parents App!**

Following the successful launch of the Reach More Parents App, all of our communications will now go through this App.

Reach More Parents allows you to keep updated with School news, trips, learning activities, important announcements, key dates and events and much more!

How to log in to Reach More Parents:

- By downloading the app onto your smart phone or tablet. You can download Reach More Parents from the **App Store** or **Google Play**.
- By logging in via the Reach More Parents website/portal at: <https://app.Weduc.co.uk/>

If you haven't yet downloaded the App, you will be receiving an enrolment message by **email today**, and both priority one and two contacts with parental responsibility will be provided with an enrolment code, plus instructions on how to download the App. If you have any problems, please contact the school office. Thank you.

**Note:** We will **no longer** be using School Jotter to send communications.
